## Membership Renewal

If there is a green circle next to your address label, your membership renewal is more than two months past due and unfortunately, due to printing and postage costs, this will be your last issue of the PCARA Update. Please renew your membership and help support PCARA.

## PCARA Editor (Still Needed)

At the November meeting, a dialogue was held on the need to appoint a replacement editor for the PCARA Update. This was due to my family, work and other time restraints and after much discussion, it was decided that I would remain as editor with the help of the membership with submissions for the newsletter. It was also decided that beginning with the January issue, the newsletter would be delivered as a PDF e-mail document to members with e-mail capabilities (regular mail will be used for members without e-mail).

Unfortunately, after much thought and consideration, my need for replacement as editor still exists. Please contact myself or Greg - KB2CQE, if you are able to assume this post.

Joe - KR2V
